

Black History Month

Events @ Nash-Rocky Mount Public Schools

Location	Date	Event Details
Baskerville Elementary	February 24	Black History celebration theme will be "Experiencing Africa"! This will be a day-long event in which students will experience the African culture through various presenters.
Benvenue Elementary	February 27, 6:30 PM	<p>Black History Program "Evolution of African American Music" This year's program will focus on 12 genres of music including African music, call & respond, work songs, spirituals, blues, gospel, jazz, pop, soul, and hip hop with all grade levels participating, as well as special guest Nash Central High School Jazz Band ensemble.</p> <p>In addition to classroom activities, we will have daily Black History tributes for an African American that has made a significant contribution in such areas as education, sports, medicine, art, music, politics, and human rights. Staff members have signed up for a day to present during morning announcements.</p>
Englewood Elementary		In addition to individual classroom activities, members of the community and surrounding areas will visit classes and read to students. Students will also create a timeline of famous African Americans disclosing known, as well as unknown facts about African American History. The timeline will be created throughout the month of February during (Specials) Media class and displayed in the Media Center.
Hubbard Elementary	February 9, 6:00 PM	Black History Wax Museum/A Night at the Apollo, combined with our Math/Technology Night
Johnson Elementary		Students are learning about the Underground Railroad and the Civil Rights Era. Classes are contributing projects to our Black History Museum, and getting ready to sing and present dramatizations during our Black History program. We are also highlighting famous African-Americans during daily announcements.
Nash Central Middle	February 24, 7:30 AM	The NCMS Musical Theatre Club (7th and 8th grade Chorus) will perform "Midnight at the Black History Museum" as an assembly program
Nashville Elementary		During the month of February, individual classrooms will be conducting activities related to Black History Month. Also, we will be highlighting a famous African American during daily morning announcements.
Pope Elementary	February 23, 6:00 PM	<p>Black History Program</p> <p>Pope Elementary is also highlighting a famous African American daily during Black History Month.</p>
Williford Elementary		The Black History Month theme for this year is: "Standing Tall in the Footsteps of Our Ancestors' Inventions." Throughout the month of February, we will be highlighting famous African-American inventors and their inventions.
Williford Elementary	February 23, 6:00 PM	Black History Program
Winstead Avenue Elementary		The Friday before the MLK holiday through the month of February, we will celebrate Famous Americans on the morning show. Second grade students will learn all about famous Americans, research them, write a paper, and come

		<p>to school dressed as that person. On our daily morning show, second grade students will read a brief summary of a famous African-American, president, or other person who has changed our lives. Discussion of the famous Americans will take place in all grades after the information has been presented.</p>
