Dear Parent/Legal Guardian,

North Carolina laws require that parents/legal guardians provide to the school, within 30 calendar days of their child’s school attendance to Kindergarten:

1) A physical completed within one calendar year prior to the date of attendance; and,
2) An immunization record showing that all required immunizations have been received.

Students who do not meet both requirements within the required timeframe are not allowed to attend Kindergarten in public school.

Effective _____________________, your child will not be allowed to attend school due to not meeting North Carolina’s school attendance law requirements. When the school receives the items checked below, your child will be re-admitted to Kindergarten.

___ Kindergarten Health Appraisal (Physical) Form. A physical must be completed within one Calendar year prior to the date of attendance and submitted to the school.

___ Immunization record of required vaccinations. Your child needs:
   ___DTaP/Tdap ___MMR ___Polio ___Varicella ___Hepatitis B

Please schedule an appointment with your child’s healthcare provider or local health department. Resources with phone numbers are provided below.
