As part of attendance and/or participation in a 2019 SUMMER CAMP(S) offered by Nash Community College (NCC), I hereby agree as follows:

1. I acknowledge that my child's participation in a Summer Camp is decided by me, the parent/guardian. I understand that I have voluntarily chosen to allow my child to participate in a Summer Camp at Nash Community College, 522 N. Old Carriage Road, Rocky Mount, NC 27804.
2. I voluntarily assume full responsibility for any risk of loss, damage, or personal injury, including death, and for any property damage that may be sustained as a result of my child participating in a Summer Camp. I further agree to indemnify and hold harmless, and forever discharge Nash Community College, its Trustees individually, its Board of Trustees, its officers, its employees and agents, and those acting in concert with them all in their individual and employee/official capacities, from any and all liability, claims, demands, costs, expenses incurred on my behalf whether for medical treatment or otherwise during my child's participation, actions and causes of action whatsoever arising out of or related to any loss, property damage, or personal injury including death, that may be sustained, or to any property belonging to my child, while participating in a Summer Camp. In addition, I hereby waive any and all claims against Nash Community College, the Board of Trustees, the faculty, the staff, or other agents for any expenses or losses due, damage, or loss of my child's belongings brought on campus during a Summer Camp. This release and hold harmless agreement is binding on my heirs, my assigns, personal representatives and me.
3. I understand that I am financially responsible for my child's medical expenses. I understand that my child will have limited medical coverage under Nash Community College's Student Insurance Program. I also understand that Nash Community College is not responsible for any medical or legal costs incurred and that Nash Community College advises that all Summer Camp participants have medical insurance coverage for the duration of the Summer Camp.
4. In the event my child becomes ill or is injured, and Nash Community College is unable to reach parent(s)/guardian(s) at the phone number(s) provided, I hereby authorize Nash Community College and/or its agents to obtain emergency or other medical treatment for my child as deemed necessary by medical professionals, including administration of an anesthetic or other medication and surgery, and I hereby assume the cost of such treatment. I understand that NCC faculty and its agents are not trained medical professionals. I understand that this authorization is given in advance of any specific diagnosis, treatment, or hospital care being required, but is given to provide authority on the part of Nash Community College to seek, obtain, and consent to medical treatment on my child's behalf under the conditions described above.
